

YOUR ABILITY TO WITHDRAW FUNDS AT

BLACKRIDGEBANK
4040 42ND STREET SW, SUITE O
FARGO, ND 58104
PHONE: (701) 364-9050

This policy statement applies to all deposit accounts.

Our policy is to make funds from your cash or check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make an over-the-counter deposit before 4:00 p.m., a Bill Pay transaction before 3:00 p.m. and/or an internet banking transaction before 6:00 p.m., on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make an over-the-counter deposit after 4:00 p.m., a Bill Pay transaction after 3:00 p.m. and/or an internet banking transaction after 6:00 p.m., on a day we are not open, we will consider that the transaction was made on the next business day we are open.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in one of your accounts. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

LONGER DELAYS MAY APPLY

Case-By-Case Delays - In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available on the first business day after we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exception Delays - In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,000 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts: New customer accounts less than 30 days old may be subject to 11 day exception holds and will not be eligible to withdraw the funds until the hold expires. The first \$200 rule does not apply during the new account period.
